GRIEVANCE PROCEDURES

The Board of Education of the Borough of Franklin, Sussex County, New Jersey, does hereby adopt the following rules and regulations concerning the orderly process of hearing and deciding grievances and disputes by employees of the school system so as to facilitate and assure the smooth and efficient operation of the local school system and to recognize and guarantee the rights of the employees thereof to an orderly and complete process for hearing and deciding all controversies within the said school system.

1. Grievance procedures shall be conducted on the following levels:

Level 1: In the event that any person, while in the employ of the Board of Education of the Borough of Franklin shall for any reason be aggrieved by the application, interpretation or alleged violation of any rule, regulation, policy or decision of his immediate supervisor, the administration, or the Board of Education, said employee shall present this immediate appeal for consideration in verbal or written form.

A. "Immediate Supervisor" is that person directly superior to the complainant who is charged with the responsibility of deciding, carrying out, formulating or implementing the subject matter of the dispute.

Level 2: In the event that the controversy cannot be settled by the "immediate supervisor", or, if the decision reached after hearing is not acceptable to the employee, the employee shall, within 5 days after the decision of the "immediate supervisor" have a right to have the complaint referred to the Superintendent of Schools for hearing and determination.

A. Upon referral of a complaint to the Superintendent of Schools, the "immediate supervisor" to whom the appeal was first made may prepare a written report of his findings and decisions which said report shall be submitted to the Superintendent and the complainant. The Superintendent of Schools may review the matter informally. If both parties agree, or, if not, he shall thereupon establish a hearing date not more than 10 days after submission of the application for review by the complainant for a hearing of the controversy, and the Superintendent shall render his decision within 5 days after the close of said hearing or review, unless both parties shall consent to an extension of said time.

Level 3: In the event that the dispute is not settled by the Superintendent or the complainant is dissatisfied with the decision of the Superintendent, the complainant within 10 days thereafter, notify the Superintendent of his intention to exercise his right to review of the controversy by a plenary hearing by the Board of Education. Said review shall be granted to the complainant upon the filing of a written statement of the grounds for review, copies which shall be delivered to the complainant's immediate supervisor and the Superintendent of Schools, whereupon the school Board at its next regularly convened monthly meeting or at a special meeting called by the Board for the purpose of hearing the controversy shall afford all parties an opportunity to be heard.

K. Upon application for review by the Board of Education, the Superintendent of Schools shall prepare a written review of the case which shall include all written reports submitted at prior levels as well as his findings, for the Board of Education which said report shall be submitted to the complainant for his or her review at least 10 days prior to the scheduled hearing of the case by the Board.

Level 4: The aggrieved person may, after a hearing by the Board as per level 4, if not wholly satisfied by their judgement appeal to an arbitration committee. This committee shall be composed of one representative of the Board of Education, one representative of the administration and one representative of the Franklin Custodial Association which said committee shall review each factual allegation of the controversy, the probable effect upon the complainant and the school system in event of acceptance or rejection of the relief sought and further confer with the principal parties involved or their representatives as to the factual allegations and decide on the arbitrability of the case. Should this committee deem it necessary, the aggrieved may then proceed to enter into non-binding advisory arbitration.

Within ten (10) days after the decision of the committee, the Board and the Franklin Custodial Association shall attempt to agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve.

The arbitrator so selected shall confer with both parties and their representatives and issue his decision not later than twenty (20) days after said conference. The arbitrator's decision shall be in writing and set forth his findings on the issues submitted.

The arbitrator's decision shall be submitted to the Board and the Association and shall be advisory and non-binding on the parties.

The cost of said arbitration shall be equally borne by both the Board and the aggrieved or the representatives.

II. In all informal grievance proceedings both parties shall endeavor to dispose of the same by direct conferences and without the intervention of any third parties. However, either party may, below the third level of the formal proceedings, with the consent of the other, upon 3 days notice, advise the other party of his, her or its desire to have a representative appear with or for him, her, or them, in which case, said proceedings shall be continued thereafter with such representative present for and on behalf of the party concerned. However, at the third or fourth level, either party may have a representative of his own choice present at his discretion upon 3 days notice and without the consent of the other party. If more than one representative is desired by a party in proceedings below the 4th level, this may be done, if it is mutually agreeable to both parties.

A. Any individual employee, groups of employees and representatives of minority groups shall within the framework of this policy have the right to be heard as herein provided.

B. All appeals before the Board of Education after the submission of reports and a hearing as herein provided shall be decided by the Board by resolution and its decision regarding the subject dispute shall be communicated through the chief administrator of the school system to all employees affected by the said decision.
